Sir:

In reply to the Office Action dated 22 November 2005, attached please find a Terminal Disclaimer in connection with the above-identified application. The enclosed Terminal Disclaimer has been submitted to obviate the rejection of claims 13-20 on the grounds of non-statutory obviousness-type double patenting as set forth in items 1 and 2 on page 2 of the Office Action.

With there being no other objections or grounds of rejection, it is respectfully submitted that the application is now in condition for allowance.

A notice of allowance of claims 13-20 is, accordingly, earnestly solicted.
